SUBJECT: Telephone Conversation with Steve McSpadden		
<p>NOTES</p> <p>Today I spoke with Steve McSpadden, on the staff of the <u>Subcommittee on Commerce, Consumer, and Monetary Affairs, House Government Operations</u>. McSpadden said the Subcommittee had received the President's 17 February 1982 letter objecting to the publication of the Agency information on OPEC investment identified by the Director as requiring continued classification. <input type="checkbox"/> 25X1</p> <p>McSpadden said that at this point in time the Subcommittee has no plans for further action on the matter. In a week or so they may discuss informally whether to vote to take the matter to the House Floor for resolution. He said that if the Subcommittee takes a vote he will let us know. <input type="checkbox"/> 25X1</p> <p>If and when such a vote is taken, I believe it would be in your interest to advise the Speaker's office, through his staff, about our equities in this matter. This afternoon <input type="checkbox"/> will, along with the undersigned, meet with Tom Latimer, HPSCI Staff Director, to brief him on the case. <input type="checkbox"/> 25X1</p> <p><i>York idea</i> 25 FEB 1982</p> <p><input type="checkbox"/> 25X1</p>
